# Workplace Literacy

- Literacy is...” the ability to understand and use printed information in daily activities at home, at work and in the community-to achieve one’s goals and to develop one’s knowledge and potential”.
- Literacy is recognized throughout the industrialized world, in both union and non-union workplaces as an important component of an overall skill set that contributes in a positive way to our workplaces.

# NLFL Literacy Projects

- Project #1 – Advancement of Workplace Literacy
- Project #2 – Developing a Partnership Model for Workplace Literacy Training in NL

# Workplace Training and Adult Learning

- Defining Workplace Training
- Why get involved?

# Workplace Training Programs

- Benefits to employers.
- Benefits to workers
